Subject: OPUS® Columns BSE/TSE Free Statement

To whom it may concern,

Repligen manufactures OPUS® pre-packed chromatography columns in the United States of America using plastics sourced from qualified suppliers. All plastic product contact materials used in OPUS columns with internal diameters  $\geq 5\text{cm}$  are animal free and/or compliant with EMA/410/01. Therefore, to the best of our knowledge OPUS columns with internal diameters  $\geq 5\text{cm}$  are free of Transmissible Spongiform Encephalopathy (TSE) and Bovine Spongiform Encephalopathy (BSE).

Sincerely,

Claire McGrath  
Senior Director of Quality  
Repligen Corporation
